Mr. A. Manley,  
71 Crawford St.  
Newark (2) N. Jersey.

Dear Sir;

I still am planning on going  
in training the last of March.

That is if conditions are favorable.

I have a family and I would  
like to know about the finance  
doing training, or on what terms  
you want me to train.

Let me hear from you real soon.

Very truly yours.
